"ERGONOMIC BACKPACK" | collection ref 6516 (*29C)

Disney by Samsonite is ready to take on new adventures with its first ergonomic collection!

A healthy lifestyle is being encouraged by the backpack's ergonomic design as the padded hip belt takes weight off the shoulders. The back part of the bag can also be adjusted to the individual height of the child's back. As follows, the ergonomic backpack 'grows along' with the child's back and can be used during the first 3 years of primary school.

This high-quality collection features ergonomic backpacks and sets. The latter includes 5 items being a backpack, a gym bag, a filled pencil case, a simple pencil case and a wallet. The filled pencil case contains everything children need for school: a ruler, an eraser, a sharpener and ergonomic, coloured pencils of the brand STAEDTLER®.

The target group for this collection are boys and girls aged 6 to 10 years old.
